Estimadas empresas expositoras,

¡Bienvenidas a INA PAACE Automechanika México 2023!

Nos honra contar con su participación como expositores para celebrar el 25 aniversario de INA PAACE Automechanika México. Nos gustaría extender nuestro más sincero agradecimiento a todos nuestros colaboradores y socios que han hecho posible este hito. Su apoyo inquebrantable y dedicación han sido fundamentales para el éxito de INA PAACE Automechanika México a lo largo de los años.

Como expositores participantes, apreciamos su presencia y el valor que aportan a nuestro evento. INA PAACE Automechanika México sirve como plataforma para que empresas como la suya prosperen, donde tienen la oportunidad de forjar conexiones valiosas y explorar las últimas tendencias y tecnologías.

Este evento ofrece un entorno propicio para interactuar con posibles socios, clientes y compradores. A través de exhibiciones interactivas, talleres informativos y presentaciones atractivas, pueden mostrar sus

productos y servicios, dejando una impresión duradera en la comunidad automotriz.

Los alentamos a aprovechar al máximo la plataforma y a abrazar la oportunidad de aprender de líderes de la industria y mantenerse a la vanguardia de la competencia. Su presencia en INA PAACE Automechanika México 2023 demuestra su compromiso con la excelencia y lo posiciona en la vanguardia de la industria automotriz.

Una vez más, les extendemos nuestra más cálida bienvenida y expresamos nuestro más profundo agradecimiento por su participación. Juntos, hagamos de INA PAACE Automechanika México 2023 un evento extraordinario que establezca nuevos estándares para el sector automotriz. Esperamos presenciar su éxito y el impacto positivo que sin duda generarán durante la exposición.

Si requieren alguna asistencia o tienen alguna pregunta, no duden en comunicarse con nuestro equipo dedicado. Estamos aquí para asegurarnos de que su experiencia en INA PAACE Automechanika México 2023 supere sus expectativas.

Diamond Automotive SA de CV es el resultado de más de 19 años de ventas de repuestos de motor en donde desde el principio se veía la necesidad de introducir al mercado mexicano productos que cumplieran con las necesidades del Mercado a un menor precio y abarcando todas las aplicaciones de vehículos importados tanto como nacionales. Por lo que en el año 2003 se crea Diamond Automotive SA de CV y su marca Diamond Power donde se aprovecharon los conocimientos para el mercado de motor en México para importar repuestos con altos estándares de calidad a un precio menor de el que se tenía actualmente en el Mercado.

FIAMM Mobility Power Solutions was established
with the aim of satisfying the mobility sectors
current and future energy storage requirements.
We are aimed at anyone wishing to meet the need
for energy storage with a future-oriented partner
backed by a long experience, whether they are
members of the automotive distribution chain or
major car manufacturers. Our goal is to satisfy the
current and emerging application requirements: from
simple starter needs to complex mobility solutions.
We envision a future in which our energy storage
solutions represent the driving force behind a new
concept of mobility.

Our company employs more than 360 workers and
 every month we can supply 1200,000 pcs uj cross
 assembly Crosses: 2,200,000pcs Per Month Cups:
 3,800,000pcs Per Month, Heat Treatment: 2,000T Per
 Month. >From 2011, we improved the heat treat line,
 from the old pit carbonization furnace to continuum-
 type carbonization furnace line, the quality is better
 than before, especially the hardness. We also took
 measures to improve our management, now use ERP
 to reach a accurate, fast and high efficient material
 management, our aim is to make quality better ,make
 you more satisfied. In last year, We passed the TS16949
 authentication system. Now we have more than 2000
 kinds of u-joints and more than 200 kinds of yokes in
 the factory, which used for the vehicles of SCANIA,
 MAN, VOLVO, BENZ, KAMAZ, GAZ, LADA AND ALSO
 TATA AND JAPAN CARS and so on.
 Main Market: USA, Mexico, Russia, Ukraine, Brazil, Spain,
 India, Italy, Japan, Germany Etc.

are expanding to markets in the rest of the world. We
established YULCHON MEXICO in 2014 for the U.S and
Latin American markets and YULCHON POLAND in
2022 for European market to help them minimize on
costs resulting in consistent quality, on-time delivery
and competitive prices. Now you can take advantage of
our geographic position in the world.
